

100mm Square Bollard

The 100mm square bollard is the perfect alternative to cheap timber bollards, only with the added benefit of no splitting, cracking, rotting or splitting. It is also immune to termites and will not require painting. This environmentally sound bollard is 1.5m high and perfect for parks, walking tracks, ovals, sporting facilities and the list goes on!

Reflective tape can be used inside the collar if need be!

\$19.90
