

Picket fencing

The low-maintenance alternative

The traditional look, without the maintenance

Everyone loves a picket fence - except when it comes to repainting.

Now you can have the look, without the maintenance, by using plastic pickets from Replas.

- An elegant yet strong fencing solution
- Low maintenance
- 15 year warranty on pickets
- Fast and easy installation
- Will not rot or need painting
- Pre-assembled panels

20 m fence
800 mm height

\$3,500

Includes all components
& GST

Plastic pickets are sturdy, stylish and ultra-low maintenance. They are available as individual components or assembled into 2.4 metre wide panels and are available in a range of heights.

The strength and durability is achieved using solid UV-stabilised polypropylene pickets that are securely fastened to galvanised and powder coated steel rails, which are in turn attached to galvanised and powder coated steel posts.

Pedestrian and vehicle gates also available in a range of sizes.

900 mm
pedestrian gate

\$550

Includes all components
& GST

3.2 m
double gate

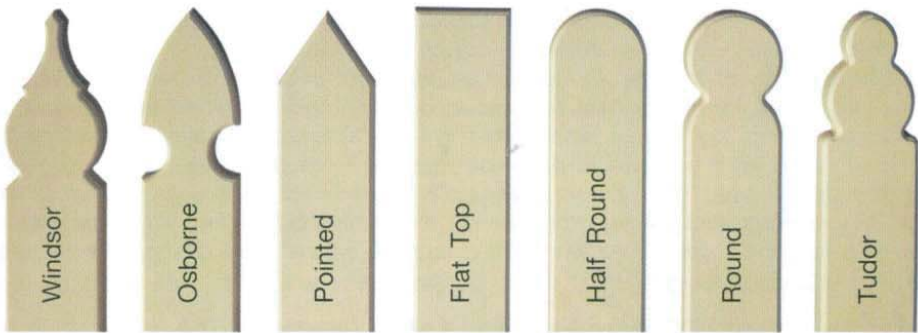

\$2,500

Includes all components
& GST

A range of colours and styles are available with custom gate and panels made to order.
