

## STANDARD PROFILES

Replas' standard recycled-plastic profiles are available in a huge range of colours, widths and lengths and two shapes: rectangular or square.

Ask your sales representative about safe span distances for the recycled-plastic profiles you have selected, as this may vary.

*The possibilities are endless:*

- *Bin Enclosures*
- *Capping*
- *Containers*
- *Furniture*
- *Garden Edging*
- *Planter Boxes*
- *Signage*
