

### Parts List

Bench Top (x1)

Bench Support (x3)

14g x 65 mm Hex Screw (x36)

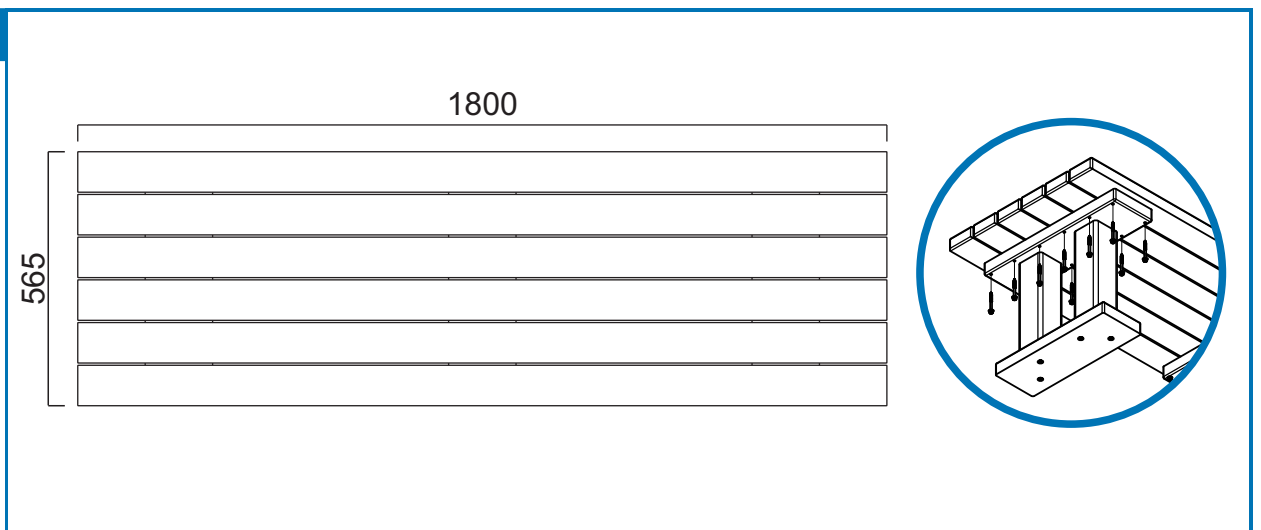

### Instructions

**Step 1** Place bench slats face down on a flat surface.

**Step 2** Using the 65 mm hex head screws supplied, screw the supports onto the slats, taking care not to over tighten as this could strip the thread in the plastic.

**Step 3** Once all screws have been tightened turn the bench over and place into position.
