

Wall Mounted Bench

1.8 m

Assembly Instructions:

IMPORTANT:

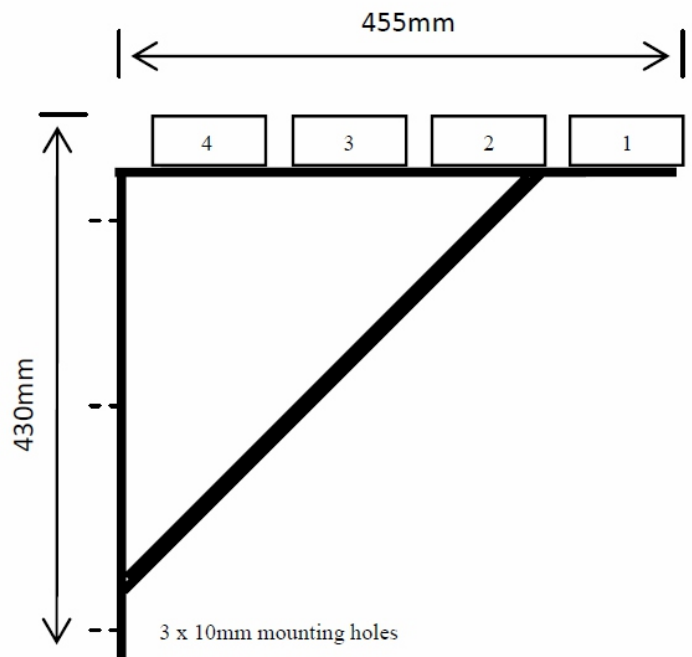

Please read carefully before assembling.

1. Place bench slats face down on a flat surface, in number order from #1 to #4.
2. Place brackets on top of slats with #4 closest to the wall mount side.
3. Using the 30mm hex head screws supplied, screw brackets onto slats, taking care not to over tighten as this could strip the thread in the slats.
4. Once all screws have been tightened turn bench over and secure to wall.

Components List:

4 x Bench Slats
3 X Wall Mount Brackets
24 X 12 g x 30 mm Hex Head Screws
